BMP™ 71

BMP®71 Label Printer Buy & Try Program

Now's your chance to give a new BMP®71 Label Printer a try - RISK-FREE!

How does it work?

After you purchase a BMP®71 Label Printer, you have 30 days from the purchase date to make a decision on whether to keep the printer or return it. If you choose to return it, you simply return it back to WESCO and provide a full explanation as to why you were not satisfied with the printer.

** Labels, ribbons and other consumables purchased are not eligible for this program and are subject to Brady's standard return policy.*

For questions regarding this offer or other Brady products,
contact your WESCO Government Regional Specialist.

1-877-851-4623.
