# BELDEN

# The Belden Advantage

## Our customers are building the future. We build the network that makes it possible.

Belden delivers the infrastructure that makes the digital journey simpler, smarter and secure. We're moving beyond connectivity, from what we make to what we make possible through our:

- Performance-driven portfolio
- Forward-thinking expertise
- Purpose-built solutions

With a renowned legacy of quality and reliability, we have a strong foundation to continue building the future.

## Key Markets

### Industrial

- Automotive Manufacturing
- Consumer Packaged Goods
- Intelligent Traffic Systems
- Mass Transit
- Material Handling
- OEM Solutions
- Power Transmission & Distribution
- Process Manufacturing

### Smart Buildings

- Broadcast
- Commercial Real Estate
- Data Centers
- Government
- Healthcare
- Hospitality
- Stadiums & Venues

# Strategic Capabilities

For unparalleled offerings in secure data acquisition, transmission, orchestration and management, ask your Belden representative about these market-leading solutions.

**BELDEN**

For more than 120 years, customers who have required unsurpassed performance and durability for signal transmission have counted on the Belden brand.

- AV Cable & Connectivity
- Broadcast Cable & Connectivity
- Category Cable & Connectivity
- Electronic "Classics" Cable
- Fiber Optic Cable & Connectivity
- Hybrid Cable
- Industrial Ethernet Cable & Connectivity
- Leadwire
- Networking & Protocol Cable (PLC/DCS)
- Power Cable
- Premium Instrumentation Cable
- Racks, Cabinets & Cable Management
- Tray Cable
- VFD Cable

**AlphaWire**

For more than 100 years, Alpha Wire has designed application-specific wire and cable to solve unique problems for machine builders and device manufacturers.

- Electronic Cable
- Leadwire
- Communication & Control Cable
- Coax and Microcoax
- Flex Cable
- Metric Wire & Cable
- Custom Cable
- Heat-Shrink Tubing
- Cable Management Products

**GarrettCom** A BELDEN BRAND

GarrettCom delivers industrial networking products for specialty applications, including power utilities, surveillance, factory automation, transportation and water treatment.

- Routers
- Managed Switches
- Unmanaged Switches
- Media Converters
- Serial Communications
- Power over Ethernet (PoE)

**HIRSCHMANN** A BELDEN BRAND

When you need industrial networking solutions for mission-critical applications, trust Hirschmann to deliver complete, secure and integrated solutions for data communication.

- Managed Switches
- Unmanaged Switches
- Routers & WAN
- Cybersecurity
- Wireless
- MPLS-TP Solutions
- Fiber Interfaces
- Software Solutions

**lumberg automation** A BELDEN BRAND

Lumberg Automation delivers ruggedized connectivity components designed to withstand the harshest environments.

- I/O Systems
- Valve Connectors
- Power Connectors
- Sensor/Actuator Connectors
- Data Connectors
- Cordsets

**ProSoft** TECHNOLOGY

ProSoft Technology provides solutions to help industrial customers increase production, reduce downtime, and lower operating and maintenance costs.

- Secure Remote Access
- Industrial Protocol Conversion
- Industrial Wireless Networks

**TOFINO SECURITY** A BELDEN BRAND

Tofino security provides practical and effective industrial network security products that are simple to implement without costly plant shutdowns.

- Tofino Xenon Industrial Security Appliance

**WEST PENN WIRE**

With over 50 years of experience, West Penn Wire has developed a unique offering of services to better support strategic customers.

- Bulk Cables
- Custom Solutions
- Cable Connectors & Accessories
- Network Solutions/Signal Management
