FOR THE HYBRID
WORKFORCE

Ensuring a
Connected World

Ensuring a
Connected
World

WORK FROM HERE. WORK FROM THERE. WORK FROM ANYWHERE.

The workplace has changed but the need to stay connected with customers, colleagues, students and teams hasn't. The hybrid workplace is emerging as a new expectation to synchronize our most cherished resource- our people..

Working from anywhere generates endless variables; making it challenging to consistently deliver an amazing AV experience. We've narrowed these down to nine simple options hinged on three key questions to select an ideal setup for seamless collaboration.

Explore our solutions below to maintain the most vital connections today and every day.

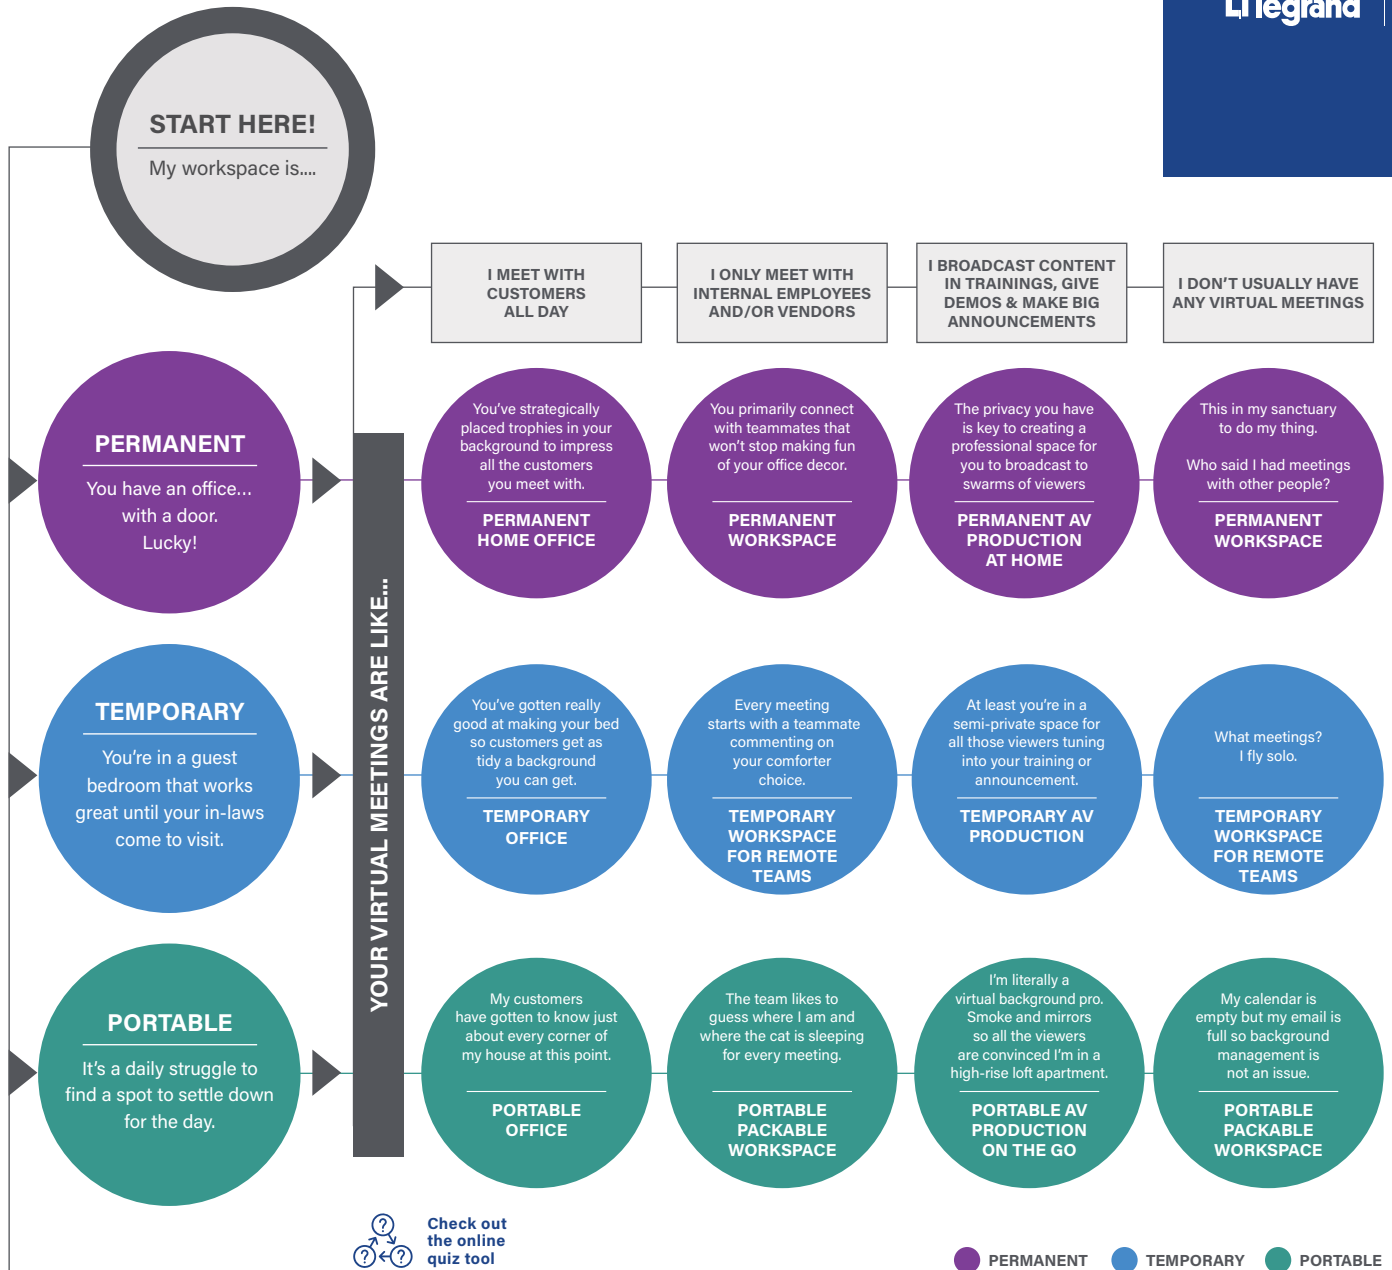

TABLE OF CONTENTS

Take the Quiz	3	Temporary AV Production	9
Portable Packable Workspace	4	Permanent Workspace	10

QUIZ: Which AV Setup is Right for You?

Hybrid teams are here to stay, yet, with so many unique situations at hand, how do you pick an AV setup that meets the needs of both your surrounding and your job. Take this quick quiz to get you to the right list of what you need and a diagram that shows how it all comes together.

Try it for yourself!
What setup suits you?

PORTABLE PACKABLE WORKSPACE

Why We Love It

It's the perfect gear for a full AV experience that is still easy to pack up and move around in your home or back and forth from the office. Quick tip: It fits perfectly into a backpack.

Ideal For

- Marketing
- Finance
- IT

Who Need AV Solutions To

- Collaborate on Projects
- Create Team Presentations
- Troubleshoot in Real Time

I Need a Different Setup

Why We Love It

Because what better way to personally connect with customers than having your kids run around in the background of your video call? Go ahead, set this solution up in the kitchen and count down the number of days until you can go back into the workplace.

Ideal For

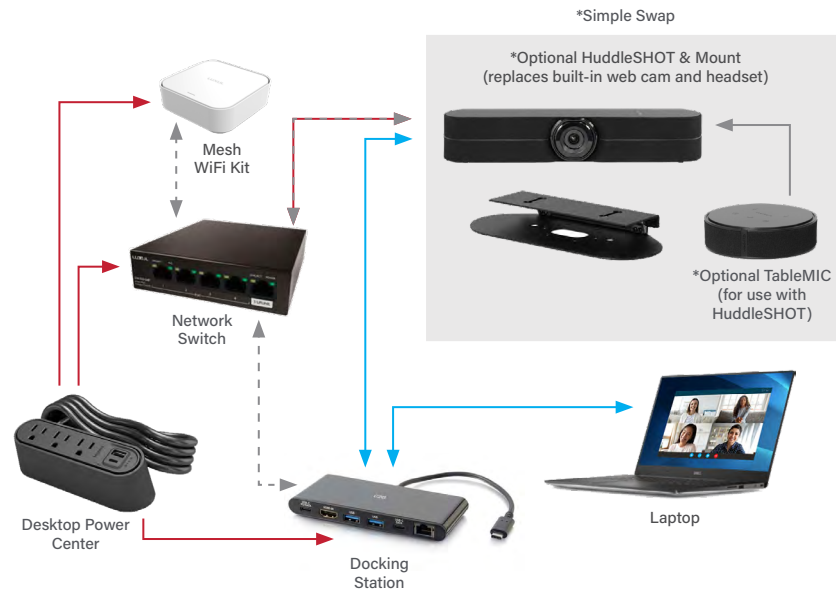

- Sales
- Marketing
- Customer Support
- Management

Who Need AV Solutions To

- Sell products and services
- E-Meet with customers and vendors
- Execute online presentations
- Communicate messages outside the organization

I Need a Different Setup

Kick it Up a Notch

Never Battle for Bandwidth

WHY: Additional wireless mesh points allow for greater WiFi coverage.

Expand your Network

WHY: A larger network switch will get you more expandability and greater flexibility.

PORTABLE AV PRODUCTION ON THE GO

Why We Love It

Because you need to share information with lots of people; customers, employees or students, and you want to look good doing it. Ideal for the technically savvy and in high demand, seeking a setup as mobile as they are.

Ideal For

- Educators in a Hybrid Setting
- Organizational Leaders
- Trainers

Who Need AV Solutions To

- Communicate with Online Students
- Share Messages with Employees
- Execute Live Demonstrations

Kick it Up a Notch

Catch More Angles

WHY: Add another camera to create production variety with multiple presets, angles and locations.

Listen Up

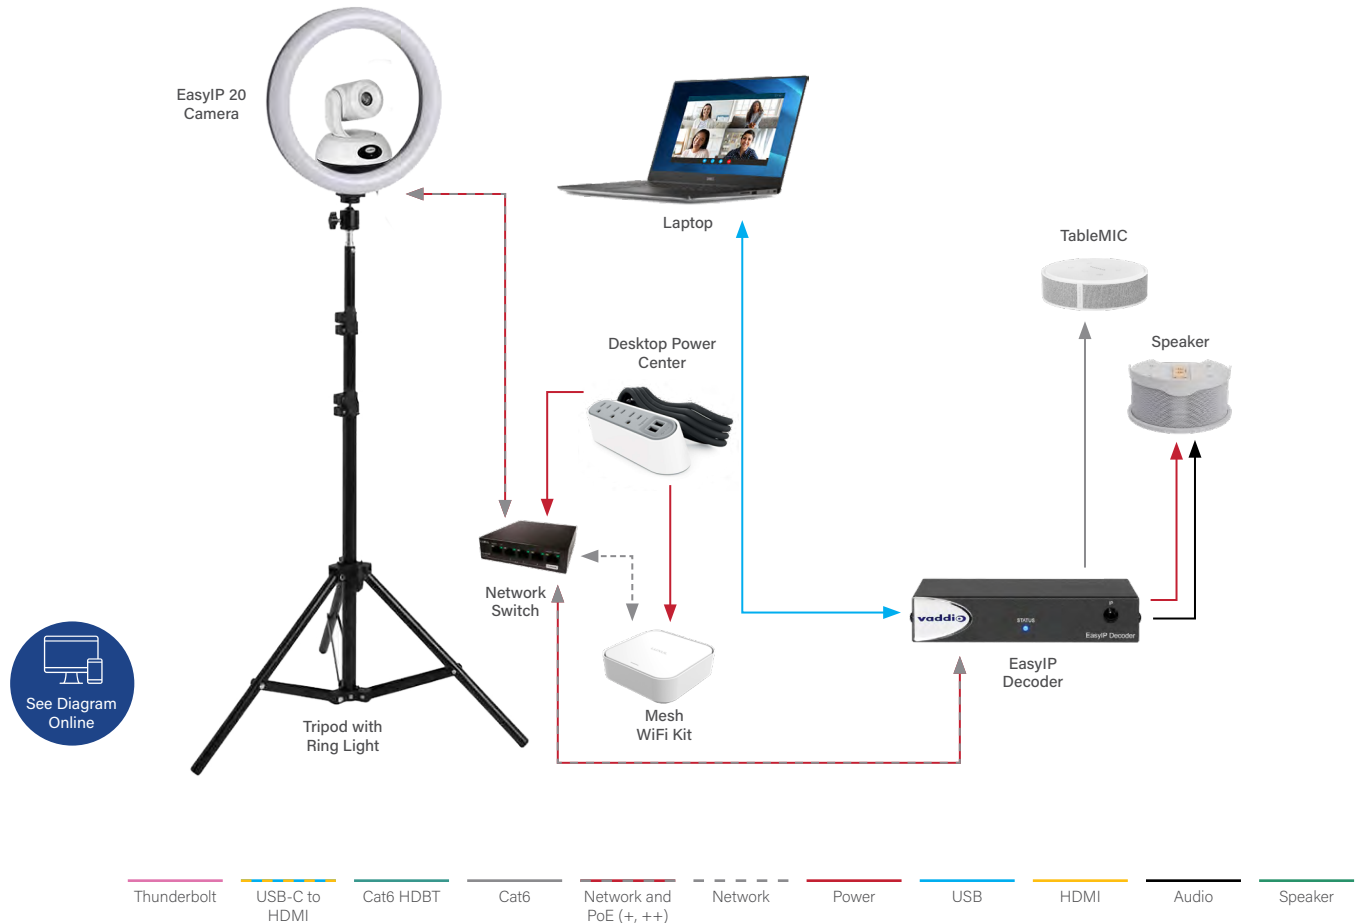

WHY: Additional mic coverage allows you to be heard from anywhere in your space.

Control Your Production

WHY: Use a controller for full access to camera switching, presets and PTZ movement.

I Need a Different Setup

TEMPORARY WORKSPACE FOR REMOTE TEAMS

Why We Love It

Because this solution gets the job done while working from home or in the workplace. Most of your meetings are with your internal team and they don't really mind if Fido hops on the video call to discuss last month's results.

Ideal For Roles In

- Marketing
- Operations
- Finance
- HR

Who Need AV Solutions To

- Collaborate and Share
- Meet with Vendors and Providers
- Plan and Report Out
- Communicate Internal Messages

Kick it Up a Notch

Never Battle for Bandwidth

WHY: Additional wireless mesh points allow for greater WiFi coverage.

Why We Love It

It's likely that you are part of the newly defined "hybrid workforce." You are planning to return to the workplace, but not sure when or for how long, so you need a reliable AV setup at home and in the office for all those customer calls.

Ideal For

- Sales Executives
- Service Technicians
- Functional Managers
- Consultants

Who Need AV Solutions To

- Sell & Meet with Customers
- Support Existing Customers
- Meet with Employees
- Collaborate with Clients

Kick it Up a Notch

Multiply Your Cameras

WHY: Add another camera for a variety of presets, angles and locations.

Automatic Camera Switching

WHY: Focus on the presentation, not the tech, with devices like a PresenterPOD or a StepVIEW mat that automatically change the camera shot.

See Diagram Online

Why We Love It

It's full AV production quality that includes several pieces that you can pack up and take with you as you move between your home office and the workplace.

Ideal for

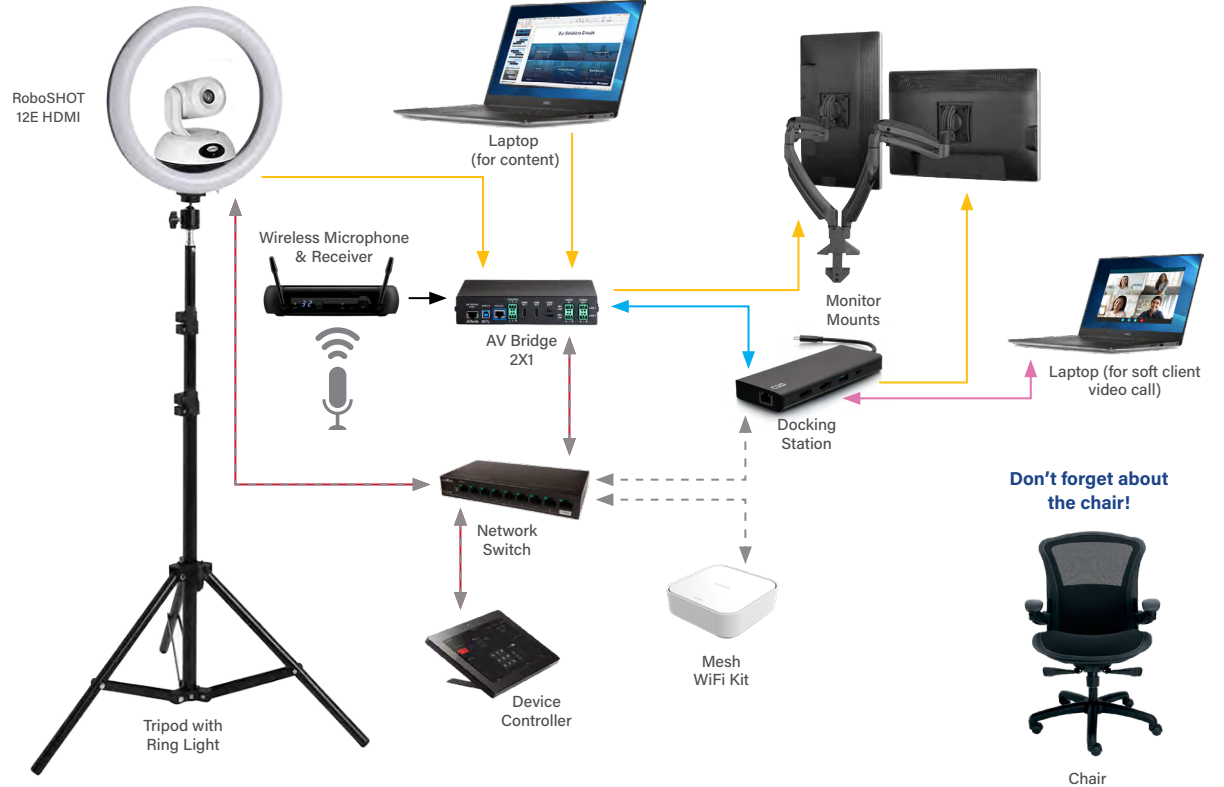

- C-level Executives
- Trainers
- Professors
- Podcasters

Who Need AV Solutions To

- Make company-wide announcements
- Perform Demonstrations
- Teach Online Courses
- Live Stream Events
